

Symphony Case

SECRET

29 May 1946

FOR: Saint, Austria
FROM: DML36 and JJ-1
SUBJECT: Symbol Identification - SYMPHONY Case

1. Reference is made to Washington 0635 and Vienna 095 (Washington IN 57509).

2. We will assume that "paragraph 4" mentioned in the first paragraph of your Vienna 095 is meant to be "paragraph 4 of Section D, Page 4." The person in this latter paragraph has always seemed the logical one for the identification of CONDUCTOR. As has repeatedly been said, however, there should be no doubt whatsoever as to the identification of central figures in cases.

3. There are actually five paragraph 4's in your LVX-216, and there is one other name mentioned in one of these paragraphs.
